Dear Friends at Midori Kai,

On behalf of Asian Women's Shelter (AWS), I would like to sincerely thank Midori Kai, Inc. for your generous grants, \$1,000 for each year 2010 and 2011, and for your commitment of support during this period, including a feature on your website, listing on posters and mailings, and participation at the 2010 Midori-Kai boutique. The grant is an invaluable contribution to our agency's work, and will strengthen and expand our work in Direct Services for women and children, Community Building and Organizational Development. We appreciate this opportunity to work with Midori Kai as a dedicated partner to help empower women and children as they build safe and healthy lives free from violence.

Once again, a heartfelt thank you for your support of AWS. We recognize that our continuing work with survivors of violence would be impossible if it were not for the support of organizations like yours. We will be sure to share news of this award with our community and encourage support of the Midori-Kai boutique on Saturday, September 11, 2010 via a link on our website and distribution of communications materials. In the meantime, please don't hesitate to contact me at (415) 751-7110 or [aiko@sfaws.org](mailto:aiko@sfaws.org) should you have any questions.

Warm Regards,

Aiko Pandorf  
Executive Director

*We are so honored to be selected and look forward to our partnership!*
