Dear Joyce,

The Japanese American Museum of San Jose (JAMSj) gratefully acknowledges receipt of Midori Kai's 2010 grant of \$1,000. Your generous support greatly enhances our Building Fund. With the completion of the main building, plans call for interior enhancements and fixtures.

Midori Kai and JAMSj share a common vision to preserve Japanese American history and culture. JAMSj stands ready to collaborate with Midori Kai to promote your efforts in a spirit of mutual support.

Midori Kai has been a driving force in making the Japantown community a vibrant place to live, work, and play. And for all your efforts, we thank you from the bottom of our hearts!

Sincerely,

Aggie Idemoto, Ed.D.
President
