Dear Friends,

Thank you so very much for your generous support of **West Valley Community Services** with your recent donation in the amount of \$100.00 in honor of Phyllis Osaki, which we received September 22, 2009, in support of our recent "Diaper Drive." We sincerely appreciate your generous support.

Everyone throughout Silicon Valley is feeling the tremendous effects of a weak economy, and steeply rising expenses such as rent or mortgage, food, utilities and gasoline. For individuals and families already struggling (some due to job layoff or home foreclosure), higher food and gas prices simply stretch budgets even more, and cause increasing requests for basic human needs such as food, clothing, shelter, emergency financial aid, housing assistance and family support services from *West Valley Community Services*.

We are very grateful for your ongoing generosity and support of West Valley Community Services. This year more than ever before, with a nearly 30% rise in the number of clients requesting food and other assistance from *West Valley Community Services*, we need your increased support so we can continue to support more than 6,000 individuals and families living in the communities of Cupertino, Los Gatos, Monte Sereno, Saratoga, West San Jose and the unincorporated mountain regions. Your continued support will help us:

- **Provide emergency assistance in the form of food, clothing, shelter and financial aid**
- **Provide rotating shelter, transitional housing, and low-income housing assistance**
- **Provide family support programs and resources, referrals and case management**
- **Provide clothing, school supplies and holiday gifts for children**

On behalf of all the people who depend on your caring involvement, thank you.

Sincerely,

*Thank you Midori Kai
and Phyllis !!*
