Dear Ladies of Midori Kai,

On behalf of Yu-Ai Kai and the seniors we serve, thank you all so much for your generous grants of \$1000 for each year, 2010 and 2011. Your donation will support the work we do for seniors in our community, and in particular, Keiro Kai.

Midori Kai's continued support for our Keiro Kai, an event based in the Japanese tradition of celebrating and honoring the older adults in our community, means so much for those seniors being honored, as well as the rest of the community who are part of the event. This annual event is one of our signature events, and while the focus is to celebrate our elders, another aspect of this program is the modeling of "keiro" to our younger generation. Your support helps us to instill in the next generation, the idea of respect for elders, and embracing and sharing of our roots. These ideals dovetail beautifully with Midori Kai's commitment to the community, heritage and youth, and we are so grateful for your support.

We thank you for continuing to promote our work, and look forward to our continued partnership. Thank you so very much!

Sincerely,

Sophie C. Horiuchi-Forrester
